# Corporate Central's Pandemic Preparedness and COVID-19 Resource Center

**March 16, 2020 –** There is no higher priority for Corporate Central than the safety of our employees and members, and the continuity of our operations. We are closely monitoring updated guidance from the World Health Organization (WHO) and Centers for Disease Control (CDC) to stay informed on the latest developments about COVID-19.

To learn more about our pandemic preparedness, our response to COVID-19, and other ongoing operational updates, please refer to our Pandemic Preparedness and COVID-19 Resource Center on our website.
