CORPORATE CENTRAL CREDIT UNION PROMOTES CHRIS FELTON TO EXECUTIVE VICE PRESIDENT

MUSKEGO, WISCONSIN – JANUARY 23, 2012 Corporate Central Credit Union today announced the promotion of Chris Felton to Executive Vice President. In this role, Chris will lead all areas focused on the member experience within the corporate, including: member service, correspondent services operations, business development, investment and loan sales, marketing & education, and online system access related to member interaction. In addition, Chris is responsible for all existing service partner relationships and securing new partners to deliver innovative and cost effective services for members.

As Executive Vice President, Chris will additionally be charged with helping to guide the strategic vision for the corporate by uniquely partnering with members to collaborate on initiatives and innovation.

Chris began his career at Corporate Central Credit Union in 1990, becoming the first “sales rep” for the then, Wisconsin Corporate Central Credit Union. Over the years, he has been instrumental in expanding Corporate Central’s membership base - now with members across the country from New York to Hawaii; developing products and services to enhance the value to members; and working directly with members to better understand their needs and their vision of a corporate focused entirely on them.

Deeply Committed to Our Partnership with You
