

## Card Processing

A customized, full-service ATM program is vital to your credit union's success. It offers cardholders the convenience, flexibility, and security they want, while providing your credit union with potential for increased revenue and lower expenses. Corporate Central's Card Processing provides unparalleled service and a reliable delivery system with a preferred partner. We offer a comprehensive range of flexible products and services designed specifically for credit unions all supported by in-house systems and programs.

- Chargeback and Adjustment Processing
- ATM Locator Services
- Cash Back Rewards
- PIN POS Acceptance
- Customizable Card Designs
- Dedicated Support Staff

### Key Benefits

1. Access to more than 34,000 surcharge-free ATMS via the MoneyPass® network.
2. Cash back rewards to your consumer and business debit card holders.
3. Complete fraud prevention and management tools for mobile card services, including card on/off controls, transaction alerting and denial controls, and fraud alerts to mobile devices.
