

# ATM/Debit Card Processing

*Are you looking for a competitively priced card processing partner? Is your credit union getting the most out of your debit card channels?*

Helping Members  
to be  
*Wildly Successful*

In today's marketplace, a customized, full-service ATM program is vital to your success. It offers cardholders the convenience and flexibility they want, while providing your credit union with the potential for increased revenue and lower expenses.

## Credit Union Benefits

- ↳ Access to one of the largest surcharge-free ATM networks allowing your credit union to compete with the largest banks in the country
- ↳ Complete fraud prevention and management tools providing all necessary safety measures
- ↳ Cash back rewards to your consumers and business debit card holders giving you increased product breadth and profitability
- ↳ Dedicated client support giving your frontline staff peace of mind
- ↳ Consulting services giving you interchange optimization, compliance support, industry news and trends, and reduced fraud

## Member Benefits

- ↳ Access to more than 22,000 surcharge-free ATMs via the MoneyPass Surcharge-free ATM network
- ↳ ATM locator services online or with an iPhone or Android app
- ↳ Mobile card services – card on/off controls, transaction alerting and denial controls, and fraud alerts to mobile devices
- ↳ PIN POS acceptance at over 13 million merchants worldwide
- ↳ Greater convenience, flexibility and security
