

# Corporate Cash & ATM Servicing Solutions

*Do you want a convenient solution that fits all of your coin and currency needs? Are you looking for a safe and secure way to service your ATM's?*

Helping Members  
to be  
*Wildly Successful*

Partnered with a preferred, national armored transport company, we are well equipped to supply all your coin and currency needs, as well as a full-line of ATM servicing products. Our integrated solutions are designed to simplify your cash management and improve efficiency.

## Credit Union Benefits

- ↪ Online cash ordering streamlines your operations by allowing any authorized employee from any branch to place cash orders
- ↪ Full-service cash delivery solution giving you convenient options without having to maintain FRB accounts or courier relationships
- ↪ Multiple delivery day options and volume based discounts giving you flexibility and competitive pricing
- ↪ Emergency cash services providing you with peace of mind when last minute situations arise
- ↪ ATM a' la cart allows you to select the services you need giving you options to keep costs down while safely managing ATMs

## Member Testimonials

*"Reliability – awesome! Always on time. If routes do change, cash couriers let us know ahead of time."*

*"Never came across any issues. I only had to use emergency ordering one time and I was provided with great service."*

*"Money ordering is easy with Corporate Central. I like that I can easily log in and order the cash we need for the delivery week. If there is a holiday we get a nice reminder of delivery change dates either via email or by phone. I like that whenever I call with questions whomever I speak with is friendly and knowledgeable."*
