

Lending Options

Corporate Central offers a variety of lending options in which credit unions can participate. Corporate Central will establish a line of credit for your credit union in an amount deemed appropriate and agreed upon by your credit union and Corporate Central. Once the limit is determined you may access a variety of liquidity sources that we offer.

Liquidity Sources

- Line of Credit
- Settlement Loans
- Fixed-Rate Term Loans
- Variable-Rate Term Loans
- Variable-Rate Demand Loans

Key Benefits

1. Gain access to negotiating and purchasing power with the support of a corporate credit union.
2. Lending options help position your liquidity to meet your evolving and fluctuating business needs.
3. Stabilize your balance sheet.
