MINIMUM WAGE IN FLORIDA

Notice to Employees

Effective September 30, 2023, the Florida minimum wage will be \$12.00 per hour, with a minimum wage of at least \$8.98 per hour for tipped employees, in addition to tips, through September 29, 2024.

On November 3, 2020, Florida voters approved a state constitutional amendment to gradually increase the state's minimum wage each year until reaching \$15.00 per hour on September 30, 2026. On September 30, 2023, Florida's minimum wage will increase to \$12.00 per hour. Each year thereafter, Florida's minimum wage will increase by \$1.00 until the minimum wage reaches \$15.00 per hour on September 30, 2026. Resuming in 2027, the minimum wage will be adjusted annually for inflation.

An employer may not retaliate against an employee for exercising his or her right to receive the minimum wage. Rights protected by the State of Florida Constitution include the right to:

- File a complaint about an employer's alleged noncompliance with lawful minimum wage requirements.
- Inform any person about an employer's alleged noncompliance with lawful minimum wage requirements.
- Inform any person of his or her potential rights under Section 24, Article X of the State Constitution and to assist the individual in asserting such rights.

An employee who has not received the lawful minimum wage after notifying his or her employer and giving the employer 15 days to resolve any claims for unpaid wages may bring a civil action in a court of law against an employer to recover back wages plus damages and attorney's fees.

An employer found liable for intentionally violating minimum wage requirements is subject to a fine of \$1,000 per violation, payable to the State. The Attorney General, or other official designated by the Legislature, may bring a civil action to enforce the minimum wage.

The Improved Workforce Opportunity Wage Act (IWOWA), Public Act 337 of 2018, as amended, covers employers who employ 2 or more employees 16 years of age and older.

Minimum Hourly Wage Rate

Employees must be paid at least:

Effective Date	Minimum Hourly Wage Rate	Tipped Employee		85%** Rate
		Minimum Hourly Rate	Reported Average Hourly Tips	
January 1, 2021	\$9.65*	\$3.67	\$5.98	\$8.20
January 1, 2022	\$9.87*	\$3.75	\$6.12	\$8.39
January 1, 2023	\$10.10*	\$3.84	\$6.26	\$8.59

*An increase in the minimum hourly wage rate as prescribed in subsection (1) does not take effect if the unemployment rate for this state, as determined by the Bureau of Labor Statistics, United States Department of Labor, is 8.5% or greater for the calendar year preceding the calendar year of the prescribed increase. An increase in the minimum hourly wage rate as prescribed in subsection (1) that does not take effect pursuant to this subsection takes effect in the first calendar year following a calendar year for which the unemployment rate for this state, as determined by the Bureau of Labor Statistics, United States Department of Labor, is less than 8.5%.

► **Minors 16-17 years of age may be paid 85% of the minimum hourly wage rate.

Training Wage

A training wage of \$4.25 per hour may be paid to employees 16 to 19 years of age for the first 90 calendar days of employment.

Overtime

Employees covered by the IWOWA must be paid 1-1/2 times their regular rate of pay for hours worked over 40 in a workweek. The following are exempt from overtime requirements: employees exempt from the minimum wage provisions of the Fair Labor Standards Act of 1938, 29 USC 201 to 219 (except certain domestic service employees), professional, administrative, or executive employees; elected officials and political appointees; employees of amusement and recreational establishments operating less than 7 months of the year; agricultural employees, and any employee not subject to the minimum wage provisions of the act.

Compensatory Time

If an employer meets certain conditions, employees may agree to receive compensatory time of 1-1/2 hours for each hour of overtime worked. The agreement must be voluntary, in writing, and obtained before the compensatory time is earned. All compensatory time earned must be paid to an employee. Accrued compensatory time may not exceed 240 hours. Employers must keep a record of compensatory time earned and paid. Contact the Wage and Hour Division for information on the conditions an employer must meet in order to offer compensatory time off in lieu of overtime compensation.

Equal Pay

An employer shall not discriminate on the basis of sex by paying employees a rate which is less than the rate paid to employees of the opposite sex for equal work on jobs requiring equal skill, effort, and responsibility performed under similar working conditions - except where payment is pursuant to a seniority system, merit system or system measuring earnings on the basis of quantity or quality of production or a differential other than sex.

Enforcement

An employee may either file civil action for recovery of unpaid minimum wages or overtime, or they may file a complaint with the Department of Labor and Economic Opportunity. The department may investigate a complaint and file civil action to collect unpaid wages or overtime due the employee and all employees of an establishment. Recovery under this act can include unpaid minimum wages or overtime, plus an equal additional amount as liquidated damages, costs, and reasonable attorney fees. A civil fine of \$1,000 can be assessed to an employer who does not pay minimum wage or overtime.

GENERAL REQUIREMENTS – PAID MEDICAL LEAVE ACT*

GRETCHEN WHITMER
GOVERNOR

SUSAN CORBIN
DIRECTOR

Coverage

The Paid Medical Leave Act, 2018 Public Act 338, as amended by 2018 Public Act 369, effective March 29, 2019, covers employers who employ 50 or more individuals. The act covers individuals engaged in service to an employer in the business of the employer and from whom an employer is required to withhold for federal income tax purposes. An eligible employee does not include executive, administrative, and professional overtime exempt employees, employees covered by a private collective bargaining agreement that is in effect, employees of the United States government, another state, or a political subdivision of another state, individuals whose primary work location is not in this state, individuals 16-19 years of age being paid the youth training wage in accordance with the Improved Workforce Opportunity Wage Act, temporary employees as described in the Michigan Employment Security Act, variable hour employees as defined by 26 CFR 54.4980H-1, employees covered by the Railway Labor Act and Railroad Unemployment Insurance Act, individuals employed by an employer for 25 weeks or fewer in a calendar year for a job scheduled for 25 weeks or fewer, individuals who worked, on average, fewer than 25 hours per week during the immediately preceding calendar year. (See section 2 of The Paid Medical Leave Act, 2018 Public Act 338.)

Paid Medical Leave Accrual

Paid medical leave accrual begins on March 29, 2019, or upon commencement of the employee's employment, whichever is later. Paid medical leave is accrued at a rate of 1 hour for every 35 actual hours worked; however, an employer is not required to allow accrual of over 1 hour in a calendar week or more than 40 hours in a benefit year. A benefit year is any consecutive 12-month period used by an employer to calculate an eligible employee's benefits. Employees can carry over up to 40 hours of unused accrued paid medical leave from one benefit year to the next; however, employers are not required to allow employees to use more than 40 hours in a single benefit year. An employer may provide the total amount of paid medical leave all at once by providing at least 40 hours at the beginning of the benefit year or on the date that the individual becomes eligible during the benefit year on a prorated basis. If an employer adopts this practice, it does not have to permit employees to carry over unused leave to the next benefit year. (See section 3 of The Paid Medical Leave Act, 2018 Public Act 338.)

Paid Medical Leave Usage

An employee may use paid medical leave as it is accrued except an employer may require an employee to wait until the 90th calendar day after commencing employment before using accrued paid medical leave. Paid medical leave must be used in 1-hour increments unless the employer has a different increment policy set forth in writing in an employee handbook or other employee benefit document. Employees must follow the employer's usual and customary notice, procedural, and documentation requirements for requesting leave. The employee must be allowed at least 3 days to provide documentation. Employees may take paid medical leave for any of the following:

- Physical or mental illness, injury, or health condition of the employee or his or her family member
- Medical diagnosis, care, or treatment of the employee or employee's family member
- Preventative care of the employee or his or her family member
- Closure of the employee's primary workplace by order of a public official due to a public health emergency
- The care of his or her child whose school or place of care has been closed by order of a public official due to a public health emergency
- The employee's or his or her family member's exposure to a communicable disease that would jeopardize the health of others as determined by health authorities or a health care provider

For domestic violence and sexual assault situations, employees may use paid medical leave for any of the following:

- Medical care or psychological or other counseling
- Receiving services from a victim services organization
- Relocation and obtaining legal services
- Participation in civil or criminal proceedings related to or resulting from the domestic violence or sexual assault

Employee Rights

An employee may file a complaint with the Department of Labor and Economic Opportunity (LEO) within 6 months of the alleged violation. LEO shall investigate a complaint and attempt mediation, where appropriate.

Penalties

If informal resolution is unsuccessful and a violation found, payment of paid medical leave improperly withheld will be requested and penalties may be imposed. An employer who fails to provide paid medical leave is subject to an administrative fine of not more than \$1,000.00. An employer who willingly violates the posting requirement is subject to an administrative fine of not more than \$100.00 for each separate violation.

WASHINGTON EMPLOYMENT LAWS

Your Rights as a Worker

It's the law!

Employers must post this notice where employees can read it.

Wage and Overtime Laws

Workers must be paid the Washington minimum wage

- Most workers who are 16 years of age or older must be paid at least the minimum wage for all hours worked. See www.Lni.wa.gov/MinWage.
- Workers who are 14 or 15 may be paid 85% of the minimum wage.
- Tips cannot be counted as part of the minimum wage. Employers must pay all tips to employees.

Overtime pay is due when working more than 40 hours

Most workers must be paid one and one-half times their regular rate of pay for all hours worked over 40 in a fixed seven-day workweek.

Workers Need Meal and Rest Breaks

Meal period

Most workers are entitled to a 30-minute unpaid meal period if working more than five hours in a day. If you must remain on duty during your meal period, you must be paid for the 30 minutes. Agricultural workers are entitled to a second 30-minute unpaid meal period if they work more than 11 hours in a day. Learn more at www.Lni.wa.gov/workers-rights/workplace-policies/rest-breaks-meal-periods-and-schedules.

Breaks

- Most workers are entitled to a 10-minute paid rest break for each four hours worked and must not work more than three hours without a break.
- Agricultural workers must have a 10-minute paid rest break within each four-hour period of work.
- If you are under 18, see "Teen Corner" at right.

Pay Requirements

Regular Payday

Workers must be paid at least once a month on a regularly scheduled payday. Your employer must give you a pay statement showing the number of hours worked, rate of pay, number of piece work units (if piece work), gross pay, the pay period and all deductions taken.

For more information regarding authorized deductions, go to www.Lni.wa.gov/workers-rights/wages/getting-paid and click on "Paycheck deductions."

Equal Pay and Opportunities Act

Under this law, your employer is prohibited from providing unequal pay or career advancement opportunities based on gender. You also have the right to disclose, compare, or discuss your wages or the wages of other employees. Your employer cannot take any adverse action against you for discussing wages, filing a complaint, or exercising other protected rights under the Equal Pay and Opportunities Act. Employers also are prohibited from requesting a job applicant's wage or salary history, except under certain circumstances, and cannot require an applicant's wage or salary history meet certain criteria. Job applicants also have the right to certain salary information if the employer has 15 or more employees. For more information or to file a complaint, go to www.Lni.wa.gov/EqualPay.

Teen Corner — Information for Workers Ages 14–17

- The minimum age for work is generally 14, with different rules for ages 14–15 and ages 16–17.
- Employers must have a minor work permit to employ teens. This requirement applies to family members except on family farms. Teens do not need a work permit.
- Teens are required to have authorization forms signed before they begin working. For summer employment, parents must sign the Parent Authorization for Summer Work form. If you work during the school year, a parent and a school official must sign the Parent/School Authorization form.
- Many jobs are not allowed for anyone under 18 because they are not safe.
- Work hours are limited for teens, with more restrictions on work hours during school weeks.

Meal and rest breaks for teens

- In agricultural work, teens of any age get a meal period of 30 minutes if working more than five hours, and a 10-minute paid break for each four hours worked.
- In all other industries, teens who are 16 or 17 must have a 30-minute meal period if working more than five hours, and a 10-minute paid break for each four hours worked. They must have the rest break at least every three hours.
- Teens who are 14 or 15 must have a 30-minute meal period no later than the end of the fourth hour, and a 10-minute paid break for every two hours worked.

To find out more about teens in the workplace: www.Lni.wa.gov/TeenWorkers, 1-866-219-7321, TeenSafety@Lni.wa.gov.

Leave Laws

Paid sick leave

Most workers earn a minimum of one hour of paid sick leave for every 40 hours worked. This leave may be used beginning on the 90th calendar day of employment. Employers must provide employees with a statement that includes their accrued, used and available hours of this leave at least once per month. This information may be provided on your regular pay statement or as a separate notification. Workers must be allowed to carry over a minimum of 40 hours of any unused paid sick leave to the following year. For details on authorized use, accrual details, and eligibility, see www.Lni.wa.gov/SickLeave.

Washington Family Care Act: Use of paid leave to care for sick family

Employees are entitled to use their choice of any employer provided paid leave (sick, vacation, certain short-term disability plans, or other paid time off) to care for:

- A child with a health condition requiring treatment or supervision;
 - A spouse, parent, parent-in-law, or grandparent with a serious health condition or an emergency health condition; and
 - Children 18 years and older with disabilities that make them incapable of self-care.
- For more information, see www.Lni.wa.gov/workers-rights/leave/family-care-act.

Leave for victims of domestic violence, sexual assault or stalking

Victims and their family members are allowed to take reasonable leave from work for legal or law enforcement assistance, medical treatment, counseling, relocation, meetings with their crime victim advocate, or to protect their safety. Employers are also required to provide reasonable safety accommodations to victims. For more information, see www.Lni.wa.gov/DVLeave.

Leave for military spouses during deployment

Spouses or registered domestic partners of military personnel who receive notice to deploy or who are on leave from deployment during times of military conflict may take a total of 15 days unpaid leave per deployment.

Your employer may not fire or retaliate against you for exercising your rights or filing a complaint related to minimum wage, overtime, paid sick leave or protected leave.

Paid Family and Medical Leave: Administered by Washington Employment Security Department. Washington offers paid family and medical leave benefits to workers. As directed by the Legislature, premium assessment started on Jan. 1, 2019. For more information, see www.paidleave.wa.gov.
